June 8, 1928.

Mr. C. I. Collier,
Winder, Ga.

Dear Mr. Collier:

I am herewith enclosing the papers you so kindly left me a few days ago. On the last sheet of "sales made by the administrators of John Collier's estate" I notice you have a name "Viney Collier". This evidently must have been "Vines", and unless you know for sure that the name was "Viney" I would suggest that you correct same to "Vines". Also kindly change the name to Cuthbert Collier as a witness.

Can you tell me anything about the Thomas Dunn, J.P., that witnessed this paper where John Collier deeded to John T. Colquitt 225 acres of land? This is the Dunn that married Vines Collier's daughter. I would like to know what became of this Dunn, as I never have been able to trace it out.

I received in the morning's mail your file showing the descendants of John Collier, son of Vines.

The Cuthberts were mixed in with the Colliers in Virginia away back before the Revolutionary War, and I wrote a letter yesterday to Mr. Robert Cuthbert, of Petersburg, Brunswick County, Virginia.

When you go over to Athens, call by the Southern Manufacturing Company and see my son, Mr. D. C. Collier, who is President. At the present time he is in New York, leaving today, but he will be back in about two weeks.

Do not forget the old slogan that I am preaching to all the Colliers everywhere, GET ALL THE EDUCATION POSSIBLE AND NEVER RETURN TO THE FARM.

With kind regards, I beg to remain

Yours most respectfully,

JCC:S
